Cambridge International School

International Preparatory School

Private, value-based education fosters the instilment of values and character traits vital to academic excellence and life success without the barriers presented by a mainstream education system. We believe that the foundation of a sound education includes morals and values; therefore we strive to instill excellence, integrity, and accountability within each and every student.

Andrews Preparatory School makes use of an international curriculum, Accelerated Christian Education, where all content has been through a process that makes it more relevant within a South African context. This has allowed us to make it possible to accelerate students to reach their full potential.

Benefits of the A.C.E. Programme:

- Academic Excellence
- Individualised Instruction
- Mastery-Based Learning
- Biblical Values
- Computer-Enhanced Learning
- Reasoning Skills
- Character Building
- Bible-Based Instruction
- Diagnostic Testing

Cambridge International School

Cambridge International High School

The Cambridge philosophy of education provides courses which are demanding, challenging and thoroughly prepare students for tertiary study and the demands of modern life.

The Cambridge Curriculum

Qualifications through Cambridge University in IGCSE (International General Certificate of Secondary Education) and AS/A Level (Advanced Subsidiary/Advanced Level) are accepted in over 160 countries. On completion of their studies, students receive an internationally renowned certificate of secondary education. The top 10 universities in the world accept A Levels as entrance into their university (symbol dependent).

At Andrews Academy we offer a structured schooling environment featuring small classes. The students attend school from 08:00 until 14:30 Monday – Friday.
