Subject: Cricket Schools: Blue Chip Grading

Dear Mr Jordan

This letter serves to confirm that Glenwood High School has achieved Cricket South Africa's (CSA) highest qualification rating -Blue Chip Status- afforded by CSA for Cricket School excellence for the year 2017. Schools are judged through our Schools Quality Index (SQI) such as number of teams, total matches played, coaches qualifications, facilities, Representation in teams.

CSA would like to congratulate you and your staff for your contribution towards Cricket in South Africa and a Blue-Chip Status Plaque will be delivered to your school shortly. Please be aware that your status will be evaluated on an annual basis and you will be informed of your 2018 status later this year.

Cricket South Africa has made certain adjustments on the SQI which might have an influence on your next assessment and score.

Yours in Cricket

NIELS MOMBERG
YOUTH AND TERTIARY MANAGER
